Due to UKA recommendations all 1500m Junior age group races will be run as Time Trials, unless run as a straight finals, with the overall finish positions being decided by the individual finish times achieved in each of the races.						Competitors in the Triple Jump (JB, IB) may choose to take off from either the 9m or 11m board. If in the opinion of the officials at the event a competitor is unlikely to reach the pit safely from the 9m board they may disallow the competitor from taking part in the competition. Inter Girls may chose to take off from either the 7m line or 9m or 11m boards and must safely reach the pit.				
						Finals will be run at heat times if insufficient competitors declare. Those who qualify for the final must participate in it unless permission is obtained from the Track Referee. In this case they will not be able to take part in subsequent events.
